## TUESDAY, AUGUST 2ND, VOTE YES!

Value Them Both does not ban abortion or get in the way of providing medical care for women with pregnancy complications. Kansans do not want our state to become the abortion factory of the Midwest. We want limits and safety standards to protect women who live and visit here. We must vote "**Yes**" to ensure Kansas does not remain a destination state for extreme abortions in unregulated facilities. —*ValueThemBoth.com*
