STEWADING OUR GIFTS: WHO ARE YOU FOLLOWING? Today, Peter has given us clear guidance in our discipleship. He warns that people who do not know Jesus will ask for a reason for your hope. At times, their questions may even feel like attacks, and cause you to become defensive. Peter says to answer them "with gentleness and reverence." Look to Jesus as your model. Jesus did not simply understand his faith... it was His identity. He shared His faith in the way He went about His work and in how He treated others. Before you can defend your faith, you must understand it, you must embrace it, and you must let it define you. As one writer says, "Our faith must be a first-hand discovery and not a second-hand story." Know it. Live it. Share it.
